

1998 Society Soiree

Friday, February 26, 2027
The Atlanta History Center

Join us as we honor the innovation, impact and philanthropy of the physicians who proudly serve Children's each and every day. Hosted by the 1998 Society, this evening of celebration will honor our remarkable physicians whose medical expertise and passion for pediatrics have helped shape our community.

This cocktail party will take place at the Atlanta History Center on Friday, February 26, 2027. Guests will enjoy cocktails alongside delicious food stations as well as a brief program honoring a few of our outstanding physicians. We will also have live entertainment and guests will be able to stroll through some of the exhibits at the History Center. Please note, sponsorships include reserved seating while individual ticket purchasers will enjoy a standing reception.

Proceeds from this event support Children's 1998 Society Funding Initiatives which provides equipment, programs and research to advance Children's mission - to make kids better today and healthier tomorrow. The 1998 Society is made up of physicians who support Children's Healthcare of Atlanta philanthropically through their annual gifts.
